## REGISTERED HEREFORD CATTLE

### The Brand was in Demand at Star Lake's May Sale

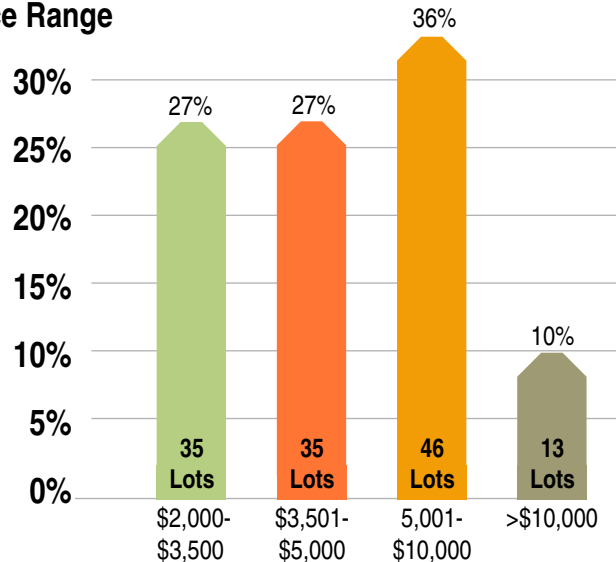

Hereford cattle have regained a prominent position in the beef industry, and cattlemen were definitely of a mind to Demand the Star Lake brand at the ranch's May 15, 2010, sale at Skiatook, OK. The week was soggy, but the rain held off on sale day and the large crowd of cattlemen appreciated the tremendous set of donor cows, 2 year old pairs, show heifer prospects and bulls as well as frozen embryos and semen. Buyers were from 27 states plus Canada, and the seats were full when the gavel fell. There was also strong activity from Superior on RFD-TV and LiveAuctions.tv. We appreciate all the bidders and buyers who participated in making this a Hereford event to remember. The sale average breaks down as follows:

	Gross Sales	Average
4 ½ Bulls	\$53,900	\$11,978
122 Females	\$781,950	\$6,409
126 ½ Lots	\$835,850	\$6,608
110 Frozen Embryos	\$61,550	\$560
10 Semen Units	\$5,750	\$575
Seedstock Source Sale Gross	\$903,150	

### Sale Price Breakdown – Number of Bull and Female Lots & Percent Sold in each Price Range

Sale Prices for the Star Lake Hereford Bulls and Females that sold in the Star Lake Seedstock Source Sale.

Star Lake is your source for premium, yet affordable Hereford genetics.
