

Christmas in July Auction Closes Monday

The Star Lake Christmas in July Internet Auction will close at 7 p.m. central time Monday, July 20th. The 17 lots include a fancy show heifer, embryo lots and a Christmas premium package that includes an original oil painting and gift collection. View the offering in the "For Sale" section of the Star Lake web site at <http://www.starlakeherefords.com/catalog.html?action=list&catid=3>

To bid, go to www.LiveAuctions.tv and register for the auction. Don't delay and risk the chance of being locked out while attempting to register at the last minute. At 7 p.m., each lot, starting with Lot 1, will close out individually and you will have a final opportunity to raise the bid in a bid-off on each lot. If you have bidding problems during the closing, please contact the ranch office at (918) 396-4322 for assistance.

As you're bidding, keep in mind that we have bonus packages for the person who spends the most total dollars on embryo packages and for the buyer who purchases the high-selling lot. Don't miss the chance here at free embryos and semen.

Thank you!
